---

**CME Credit:** 12.75 Category 1A Internal Medicine CME credits are anticipated for this program.

The American College of Osteopathic Internists (ACOI) is accredited by the American Osteopathic Association (AOA). ACOI designates this live activity for a maximum of 12.75 AOA Category 1A with the extent of their participation in the educational activity.

**Target Audience** - This activity is designed for internal medicine and subspecialty Program Directors, Residents/ Fellows and Medical Education Coordinators.

### **Learning Objectives**

- Develop strategies for incorporating new teaching modalities into residency curriculum
- Identify recent changes in the ACGME Program Requirements for Internal Medicine residency/fellowship
- Develop a learning plan for Professional Development for Program Coordinators
- Develop strategies for achieving ACGME Osteopathic Recognition

**Outcomes** - This activity will provide program directors, resident leaders, and medical coordinators with updates in several key areas empowering them to provide quality training for their residents/fellows which leads to improved care to their patients.

### **ACOI Accreditation and Credit Designation Statement**

The American College of Osteopathic Internists (ACOI) is accredited by the American Osteopathic Association (AOA). ACOI designates this live activity for a maximum of 12.75 AOA Category 1-A Specialty (internal medicine) CME credits to be awarded. Physicians should only claim credit commensurate with the extent of their participation in the educational activity.
