

“Lost in Translation: Applying Research to Clinical Practice”

Join us for ACOI’s biggest education event of the year!

Highlights include:

- Daily plenary sessions providing the latest updates in all areas of internal medicine....
- A specialist-level cardiology symposium touching on such areas as cardiovascular event prevention, the ACC/AHA hypertension guidelines vs. 2017 ADA Consensus, late-breaking trials, and more...
- Keynote addresses by baseball player Jim Morris, subject of the inspirational hit movie, *The Rookie*; and Humayun J. Chaudhry, DO, MACOI, President and CEO of the Federation of State Medical Boards
- AIDS, risk management and other education sessions required by many state licensing boards, including a full-day session offering many of the state licensure requirements (one-day registration package available for these sessions for non-convention registrants)....
- A half-day workshop exploring the role of Osteopathic Principles and Practices and OMM in daily patient care....
- Special sessions for medical educators students and women physicians.
- Daily sessions for hospitalists....
- Daily luncheon symposia, sunrise sessions and numerous opportunities to meet and network with colleagues old and new.
