Listed below are the ground rules agreed to by the Board for conducting more effective meetings. Please review them and let me know of any concerns. At the Retreat, it was agreed that continuing Board concurrence with the ground rules will be an early agenda item at each meeting. New members will be made familiar with the ground rules through the assistance of their assigned Board mentors.

## **ACOI BOARD OF DIRECTORS MEETING GROUND RULES**

- 1) We start and end on time.
- 2) We use an agenda that is timed for each of its components; we negotiate time frames.
- 3) We come prepared to participate in meetings by providing and reviewing pre-meeting information.
- 4) We inform the President/Executive Director/Chair of new agenda items to be discussed, with time needed.
- 5) We tackle action items first.
- 6) We want to hear from everyone.
- 7) We avoid redundant comments.
- 8) We have one conversation at a time; we avoid side conversations.
- 9) We identify/recruit champions for new and ongoing initiatives. If a champion cannot continue in the role, he/she takes personal responsibility to recruit new champion.
- 10) We act as stewards, consistent with the Board's priorities and available resources.
