Funding support provided by: _____

Please limit abstract to the space provided on page 2. Include names of all investigators and locations where study was conducted. Indicate name of Institutional Review Board which reviewed research project and attach a copy of the IRB's review to this submission (only required for research/abstracts). According to professional standards, all individuals involved in the conduct of research should be involved in its reporting; therefore, it is incumbent upon anyone who wishes to submit an abstract, to print the form and have all authors/researchers sign the form indicating that they have reviewed your submission and are in agreement with the content of the submission.

****Final presentation format will be determined by Research Committee****

ALL RESIDENTS, FELLOWS AND STUDENTS: You must have approval of your Program Director or another ACOI member as advisor/mentor in order to present.

**American College of Osteopathic Internists
Research Symposium 2017
Research Abstract Contest
October 11-15, 2017**

ORIGINAL RESEARCH/ CASE PRESENTATIONS
(Not to exceed 300 words, excluding title/authors/references)

To ensure conformity for the program booklet, please use 11 point, single spaced, Times New Roman font. Your abstract must include the following information (select either Research or Case):

ORIGINAL RESEARCH	CASE PRESENTATIONS
Presentation Title	Clinical Scenario or Case
Background	Literature Review/Evidence
Methods	Unique aspects of case; what was discovered that was new from this case?
Results	Recommendations; Bibliography
Conclusions	Conclusions

DO NOT EXCEED 300 WORDS. Your references are not included in the word count. Abstracts that do not follow the above guidelines will not be considered (please submit abstract on separate paper along with this application).

Additional Authors/Researchers:

I certify that I have read the submission of _____, find the submission to accurately reflect the facts, and hereby attest that the work was performed in a manner consistent with ethical research. I also certify that I have been meaningfully and substantively involved in the conduct and/or supervision of this research and/or the writing of this presentation. I hereby give my permission for this work to be published by the ACOI in an abstract booklet, on the ACOI's website, and/or presented at the ACOI's national meeting.
