| 6.8      | The program director must submit to the ACOI annual reports for all fellows by July 31 of each calendar year. Final reports for fellows who complete the program in months other than June must be submitted within 30 days of training completion. Delinquent annual reports will not be reviewed until a delinquency fee is paid as determined by the ACOI's administrative policies. | Evidence of completion (web based or print-out) Program director interview Verified by the ACOI | 1              |   |         |                           |         |   |  |                     |  |                 |
