

American College of **Osteopathic** Internists

## ACOI Announces Spring Virtual CME Meetings for Osteopathic Internists

*May 11-15 Event Offers Three Meetings with Opportunity to Earn Up to 40 AOA Category 1A / AMA PRA Category 1 Credits™*

### For Immediate Release

Rockville, MD (March 23, 2021) – The American College of Osteopathic Internists (ACOI), has announced that its Annual Spring CME meetings for the first time will be offered virtually. These events, occurring online May 11-15, 2021, feature three different meetings available for both members and nonmembers who wish to earn continuing medical education credits for osteopathic internal medicine.

The following [three meetings](#) are available for immediate enrollment:

#### **[2021 ACOI Internal Medicine Board Review Course - May 11-15 \\*now for AOBIM and ABIM\\*](#)**

**Approximately 40 AOA Category 1A / AMA PRA Category 1 Credits™**

This meeting is intended for those studying to take the AOBIM and/or ABIM Internal Medicine Board Review exam to gain certification in internal medicine. It also serves as a refresher course for general internists and internal medicine subspecialists who are looking to stay up to date on their day-to-day knowledge of osteopathic internal medicine.

#### **[2021 Clinical Challenges in Hospital Medicine - May 12-15](#)**

**Approximately 24 AOA Category 1A / AMA PRA Category 1 Credits™**

This meeting is intended to help hospital-based internists stay up to date on all the medical advances and structural initiatives related to the myriad of clinical cases they are required to manage in the inpatient setting.

#### **[2021 Subspecialty Focused Review - May 13-15](#)**

**Approximately 16 AOA Category 1A / AMA PRA Category 1 Credits™**

This meeting is for subspecialists in the areas of cardiology, pulmonology, critical care, and infectious disease particularly in the rapidly moving landscape of treating patients with COVID-19. The meeting will address practice approaches in the management of COVID-19 and focus on the best available data for the current standards of care.

When individuals register before April 20, the ACOI is offering both an *early bird discount* of \$50 off the Spring Meetings and an *additional \$100 off* the ACOI Annual Convention and Scientific Sessions to be held September 29-October 3, 2021.

“Our Spring Meetings this year are offering osteopathic internists an opportunity to earn the continuing medical education credits they need without the hassle of travel, which is an important consideration at this time,” said

MORE

Karen Caruth, Executive Director, ACOI. “The ACOI has had a decades-long history of providing superior CME courses and has become the go-to choice for physicians who are mindful of selecting the highest quality education to meet their needs.”

### **About the ACOI**

Since 1941, the American College of Osteopathic Internists (ACOI) has been dedicated to promoting high quality, distinctive osteopathic care for adults by practicing, educating and empowering physicians in principle-centered medicine. The ACOI demonstrates leadership as an organization providing osteopathic internists with education, forward-thinking information and opportunities for service to the profession to advance the practice of internal medicine and seeks to be the organization that osteopathic internists think of first for education, information, representation and service to the profession.
